Dear DV Applicant,

This is the official notice for you to pursue your application for a DV-2024 visa. An appointment has been scheduled for you at the U.S. Embassy or Consulate stated below. You and all members of your family who wish to apply for a Diversity Visa must appear at the appointed date and time for your interview. Please notify the office listed if you cannot keep the appointment.

You and any eligible family members will be required to submit sufficient proof of identity upon arrival. If you fail to obtain a DV-2024 visa by September 30, 2024, your registration will expire. Your family members must also obtain their visas prior to September 30, 2024, or they will not be permitted to join you in the United States under the DV-2024 program.

Please follow all of the instructions provided at <http://dvselectee.state.gov> to prepare for your interview. It is very important that you follow the instructions carefully and completely. The Diversity Program Fee for each applicant and each member of the family must be paid in full according to the policies at the Consulate or Embassy that is conducting your interview. There is only one fee and it is non-refundable, even if the visa is refused for any reason.
